

NEWSIES PHOTOSHOOT JANUARY 6, 2024

Families:

Our photoshoot for *Newsies* will happen on Saturday, January 6, 2024! We have two photographers volunteering their entire days to make this photoshoot a success. Because of that, please note that any performer who misses this photoshoot risks not being included in the full cast photo, group shots, and publicity materials. This Saturday was included on the rehearsal calendar in August. *Please make this a priority in your scheduling!*

On this day, your performer will sit for an individual headshot, group photos with castmates, and a full cast photo. For those who were involved in *The Little Mermaid* last year, these will be the photos used for promotional materials, show buttons, and gifts for the cast and directors. This year, we also hope to give families choices for their performers' button pictures and to make printed headshots available for purchase at the close of the show.

Performers *must arrive on time with hair and makeup done.* Be sure to bring all personal accessories like hats and shoes!

Please pay close attention to the schedule. **Performers are called in groups only as noted.**

Lunch will be provided ONLY for performers scheduled to remain after 12:30 p.m. as listed in the schedule below. Please arrange to pick up your performer when he or she is no longer needed.

Thank you for helping us make this an amazing experience for our cast!

Ms. Francis

PHOTOSHOOT SCHEDULE
